Presentation Night

Thank you to everyone who supported our students during Presentation Night, it is one of the enjoyable traditions we have! Photographs will be loaded up as we get them loaded onto the school system.

Intensive Water Safety and Swimming Stroke Lessons:

We will have 5-6 staff at the pool along with the pool employed lifeguard. With one dedicated staff on deck duty. We will leave from school by 9:30 and return most days by 1pm or approximately 1:30pm on Friday.

Students must:

- Have a swimming t-shirt
- Arrive at school with their swimmers under their school clothes
- Have a towel and change of underwear clearly labelled in a bag (and goggles if needed).
- Wear sunscreen and reapply on the breaks. This school will have some sunscreen. If a student is skin sensitive or needs a particular brand they must bring their own labelled sunscreen.
- Students will change back into their school uniform at the pool
- Students will be asked to hang their clothes on the line once they arrive back at school, to allow them to begin drying.

Students will not be allowed to purchase food from the pool shop until Friday. Students are able to bring a few dollars for lollies or an ice block to purchase when leaving the pool grounds. For younger children money can be placed into a labelled zip-lock bag and given to staff for safe keeping.
